

30-Hour Certification & Re-Certification Courses

W.T.C. is hosting one 30-Hour Certification Course in 2027. The purpose is to provide individuals the opportunity to fulfill the 30-Hour credit course requirement, in preparation for the Pesticide Certification Exam, given by the D.E.C.

MARCH 1 – 4, 2027 | 30-Hour – 3A Pesticide Course

Books

A Core Manual AND a Category 3A Ornamental & Turf Manual are required and MUST be obtained by student prior to starting this course. You can purchase all manuals by contacting Cornell at 1-607-255-4111 or download an order form at <http://store.cornell.edu/c-876manuals.aspx>.

Course Fee (7:30 AM Registration)

\$450 per person – **30 Hour Course** – March 1 – 4, 2027

\$125 per day/person – **Re-Certification** – March 1 –4, 2027

Exam

All exams are administrated by the NYSDEC at various locations in WNY. You will be advised of exam dates and location and needed paperwork on the first day of class.

Training Location

Eldridge Club
17 Broad St.
Tonawanda, NY 14150
